

Leah Dey

For Vice President of Your Student Association, Stranraer Campus

My name is Leah Dey and I have been a hospitality student for 2 years at Stranraer campus.

This year I have been a class rep and a lead rep which means I have been able to make others voices heard.

Why should you vote for me ??

★I believe that mental health and Wellbeing is the key to a positive and happy college experience

★I believe that it is important that everyone should be have their voice heard no matter what they believe in.

★I believe that the student association should have a open door policy and should welcome all students at anytime.

★I believe that all students should have their voices heard no matter who they are.

I will have a zero tolerance policy on bullying. It is not something I tolerate

My ideas for the next Academic year

If I were to be elected I plan to ...

- have an range of different clubs and activities to get people mixing again.
- get more class rep meetings so that all students can get there voices heard.
- engage more with students through out breaks and lunch times to make the student association an inclusive space.
- make more use of our food clothes bank as we have great resources. I would do this by working closely with Stranraer Reuse Shop and Apex Stranraer so that all students and staff can make use of the services.
